

About Us

Our bank was founded in 1992. We are the main promotional institute supporting the State of Brandenburg and other public sponsors in the performance of their tasks.

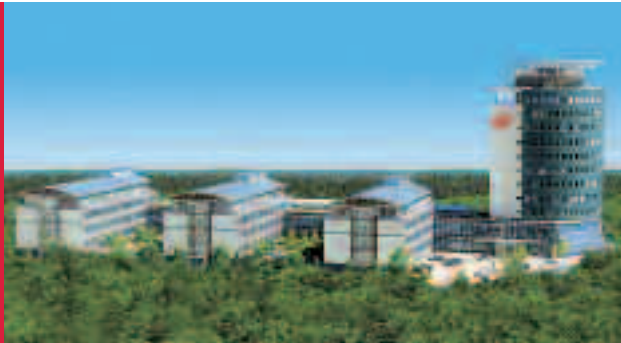

Our main business is promoting public and private investment projects.

Future Is Our Task.  InvestitionsBank
des Landes
Brandenburg

We Are There For You

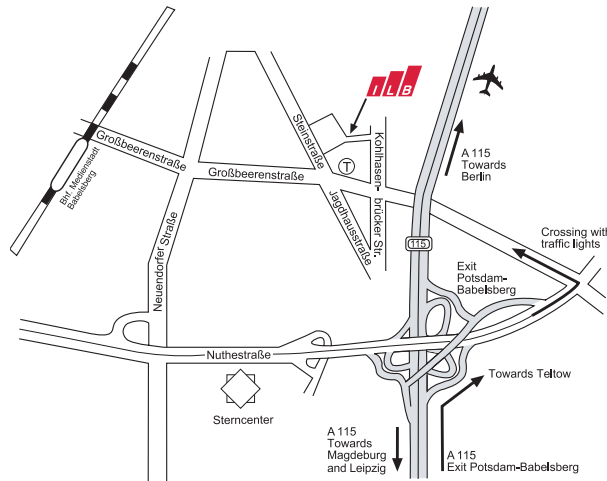

In 2004 the ILB Law was amended, and InvestitionsBank now has a reliable basis for its future business operations. We can continue to use state guarantees in compliance with the requirements of the European Union.

We offer our range of services in non-competitive cooperation with the savings banks and the cooperative and private banks.

We Promote Your Future

As the main promotional bank of the State of Brandenburg we use our competence and experience for you. We are always open to new ideas.

Tell us about your project. We will advise you on the promotional programmes and financing instruments that are available and are suitable for your project.

Our Target Groups

We accompany and support projects by

- Commercial firms and investors
- Agricultural enterprises
- New businesses
- Municipalities and their enterprises
- Sponsors of social tasks
- Housing enterprises
- Purchasers of housing.

We are Close to You

The consultants in our customer centers are there for you in every area of Brandenburg.

In cooperation with the ZukunftsAgentur Brandenburg GmbH, the chambers and the regional economic promotion institutes we will advise you on questions of promotion for businesses, individually and free of charge – anywhere in the State of Brandenburg, and of course in your vicinity as well.

We Support Your Project

To be realized your ideas need a sound financial basis. Our know-how will help you to choose the right form of financing. We want to be an important building block in your success.

Using funds from the State of Brandenburg, the Federal Government, the European Union and our own funds we can offer you

- Grants
- Loans at favourable interest rates
- Guarantees
- Venture and equity capital.

Under www.ilb.de you will find information on all ILB's offers of finance.

Our Range of Services

On behalf of the State of Brandenburg we promote and finance public and private investment projects in

- Housing, urban planning
- Social services, health
- Infrastructure
- Environmental and nature protection
- Agriculture and forestry
- Trade and industry, technology, the media
- Science, research and culture
- Education, youth and sports.

Under www.ilb.de you will find information on all ILB's areas of promotion.
